CULTURAL & GASTRONOMICAL TOUR OF SPAIN

SEPTEMBER 23 - OCTOBER 5, 2023

The tour...

This 12 day itinerary shows you the highlights of Central and Southern Spain - a mixture of rugged mountain ranges, fabulous beaches and historic medieval towns dotted across its rolling interior. Marvel at the sites and witness the zest for life of the vibrant local people as you visit many of its most famous centers – **Barcelona**, the cosmopolitan capital of Catalonia; **Zaragoza**, with its history of co-habited Muslim, Roman & Jewish cultures; the capital, **Madrid** including its world famous Prado museum; **Granada**, with its breathtaking Alhambra palace and Arab-flavoured street life; **Cordoba**, the old capital of Cailphate; and finally, **Seville**, the old Moorish capital and current capital of Andalucia with its colossal Gothic cathedral and resplendent Mudéjar palaces and, finally, the former Spanish capital, and now UNESCO town, of **Toledo**.

And combine all this with visits to local bodegas as you sample one of the country's finest assets, its superior wine collections, as well as experiencing the different gastronomical flavors of the region – including **hands-on cooking classes**. A rich tapestry of experiences that will leave you hungry and thirsty, for more....

What our clients are saying about our escapes...

"I found the trip to Spain to be a great combination of site-seeing, and amazing gourmet meals and wines selected by an internationally famous chef. We visited several famous vineyards and sample their fine wines. The tour was very well organized with time to explore cities on our own, as well as tours of architectural wonders. I strongly recommend this tour as a great experience"
